**THE ALLIANCE CENTER**

The Hard to Recycle station is a program of The Alliance Center. This station, located on the first floor of our building, allows building occupants and community members to recycle materials that would otherwise go straight to the landfill. Items in our Hard to Recycle station will either be reused, repurposed or recycled with the help of our organizational partners. Questions? Go to [thealliancecenter.org/hardtorecycle](http://thealliancecenter.org/hardtorecycle) or email us at [hardtorecycle@thealliancecenter.org](mailto:hardtorecycle@thealliancecenter.org)
