

## HOST YOUR NEXT EVENT AT THE ALLIANCE CENTER

### FLEXIBLE SPACE

Our flexible space, complete with moveable walls and an in-house café, is able to accommodate groups from a 2-person intimate meeting to a 150-person gathering. We host hundreds of events per year, and our skilled staff ensures a high quality experience for each client.

### IDEAL LOCATION

Our award-winning event space is located less than a block from Union Station, making getting here simple and easy. Host your next event at The Center and empower your guests to drive, bike, walk or take public transportation.

### OUR DIFFERENCE

Our LEED Certified and WELL Health-Safety Rated building cares for both people and planet. We know you care about positive impact, and our certified green event space allows you to relax and focus solely on your event.

**THE ALLIANCE  
CENTER**

## ABOUT US

The Alliance for Collective Action convenes leaders of environmental and social movements to advance solutions for a thriving planet. Founded in 2004, The Alliance Center is our headquarters and the hub of Colorado's sustainability community. The Center works at the cutting edge of energy efficiency and people-focused design. Our mission-driven coworking space supports hundreds of organizations each year through tenancy and events in our historic downtown Denver building. The Center's support helps expand their impact and reach.
